

INSTRUCTIONS BFC1975 Ooh La Llama

There are some animals that just lend themselves to cuteness. The Llamas are one of these animals. Their faces can show such expression! There are 5 Unique Llamas, 1 Llama in two versions (the one with the bow tie doesn't have stitching underneath the bow to minimize stitch outs) and 3 Free Standing Lace designs that can be used to decorate the Llamas. I included these to get you started thinking about embellishing these cuties.

There are 9 unique designs. 6 are regular designs and 3 are Free Standing Lace.

Designs in set:

Medium: Designs 01-09
Large: Designs 09-18
Jumbo: Designs 19-27

In addition to the designs, you will find Color Charts and these Instructions.

MATERIALS:

I used a plain cotton fabric and one layer of medium crisp tear away stabilizer. For the free standing designs I used two layers of Vilene (water soluble stabilizer). These are rather dense Free Standing designs so you can shape them. Once they are finished stitching, rinse them according to the manufacturer's directions. Then place them on paper towels or foil and shape them. For example, I rounded the bandana to give the look of it being around his neck. For the flowers I raised the leaves a little and the face mask I rounded as I did for the bandana but even more so. Once they are dry you can stitch them or glue them to your project. I used double sided tape so I could remove them or move them around. You can also add beads, crystals and ribbons. For example you could make a necklace for the ladies!
